

2017-18 IMPACT REPORT

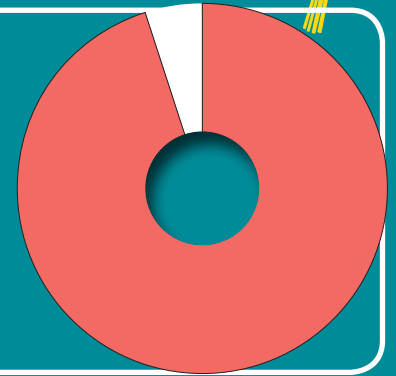

\$305,307

directly supported **292 family members** with educational opportunities and family support that will help create brighter financial futures for this generation and the next.

95%

Is our student parents' quarterly completion rate

3.5

Is our student parents' average quarterly GPA

"Thank you for giving me the opportunity to go to school and make my dreams come true! Because of your support, my baby and I have hope for a better future." ~ Vita, accounting student at Lake Washington Institute of Technology

After graduation, our student parents expect to increase their earning power by more than...

300%

70%

of our student parents plan to work in a STEM-related field, helping to provide skilled workers who are ready to enter into today's job market.

By making childcare more affordable and consistent, our program allows low-income parents to enroll in college full-time, focus on their studies, graduate on-time, and embark on a career that pays a living wage. Their children receive a quality, early-learning experience that gives them a great start to their own educational journey.

YOU HELP *transform*
PEOPLE'S LIVES!

3299

Volunteer hours from **150 volunteers** support Seattle Milk Fund and its families.

Thank you to our advocates, board and committee members, and event and office volunteers for your ongoing generosity and kindness toward Seattle Milk Fund families.

YOU MAKE GRADUATION DAY A REALITY FOR OUR STUDENTS!

Thank you to our donors who support this generation and the next by providing opportunity for low-income families to continue their educational journeys toward self-sufficiency. Gifts received July 1, 2017-December 31, 2018:
